Reference
Vabali Spa

Location
Düsseldorf, Germany

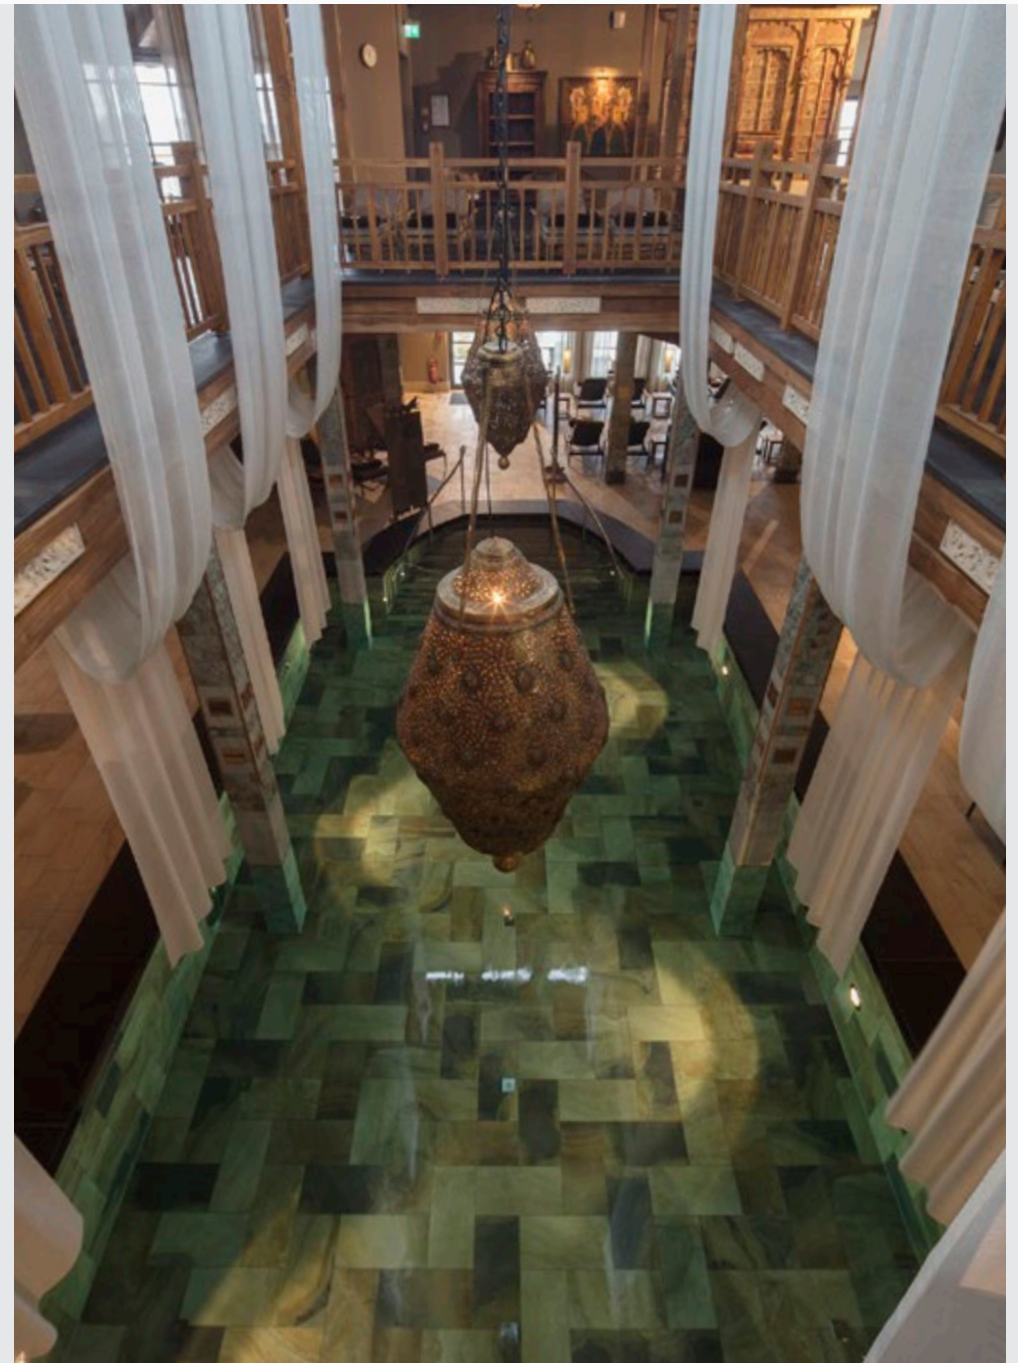

Year
2017

Project type
New build

New build of an exclusive wellness oasis
in unspoiled nature.

Installer Wolfgang Peters Wellnessbau

Client Theune Management GmbH

Requirements

Quick and rational solution in one place.

Particularly important: quick installation times.

Precise planning and production of coordinated components.

Brief description

The Vabali Spa in Düsseldorf offers 10 saunas, 2 steam baths and 1 laconium. Two pools and numerous relaxation areas in the middle of nature right on the Elbsee round out the offering. The Vabali Spa is a place of relaxation, where the body, soul and spirit find peace. Located right on the Elbsee, the spacious 20,000 square metre sauna facilities offer a wonderful lake panorama.
